

# Kind Patt

Why do I complain or suffer such pain,  
 When she knows what I pain would be all;  
 My Charmer is kind to love well inclin'd,  
 And was ever call'd kind little Patt;  
 Then all they say long with Chant & with Song,  
 Enjoy the dear girl and all that;  
 It might well be said to her Bed & reveal  
 What there I would have of sweet Patt.
